OKLAHOMA BIBLE ACADEMY
SERVICE HOURS 2017-18

Student Name and Grade _____

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace." I Peter 4:10

Serving others is a biblical model that OBA desires to teach students. OBA has an expectation for high school students to complete service hours each year. Hours are to be divided between service to the community, to the church and to OBA. Freshman are to serve 25 hours; Sophomores are to serve 30 hours; Juniors are to serve 35 hours; Seniors are to serve 50 hours. A senior who has attended OBA for four years is expected to have an accumulated 140 hours by graduation.

A "service year" begins in June and ends in May. Students are to keep track of their hours served on the designated form, available on RenWeb. A signature from the person or organization served is also required on the form.

Service hours are defined as volunteer service that a student does for an individual or an organization for which they are not reimbursed. Basic guidelines include:

- There is not any type of direct benefit to the student.
- The individual served is not a relative.
- The organization served is not owned by the student's family member(s).
- Only the hours actually working/serving should be counted.

Service hours are a part of the Bible class curriculum. If a student does not accumulate these hours during the year, they will not be able to make a grade higher than 89% for the class. Extra service hours may result in extra credit.
