OKLAHOMA BIBLE ACADEMY
SERVICE HOURS

Student's Name and Grade _____

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace." I Peter 4:10

Christ came not to be served, but to serve and pour out his life for others. OBA high school students accept the role of service in Christian education; it is a practice of privilege to learn to serve.

Service hours are divided amongst the greater community, the local church, and school. Freshmen serve 25 hours; Sophomores serve 30 hours; Juniors serve 35 hours; Seniors 50 hours. Service hours are a part of the Bible class curriculum. If a student does not accumulate the total amount of hours per given year, their highest possible grade in the class will be 89%. 11 points will be deducted off of their final class score.

A "service year" begins in June and ends in May. Students are to keep track of their hours served on the designated form. A signature from the person or organization served is also required on the form. Students who are on the honors track of classes will be required to complete the full amount of expected hours each year to to qualify for honors levels awards. Students will be required to complete the full of amount of expected hours each high school year to receive service recognition as a senior.

Service hours are defined as volunteer service that a student does for an individual or an organization in need for which they are not reimbursed or compensated. Basic guidelines include:
There is not any type of direct benefit to the student.
The individual served is not a relative.
The organization served is not owned by the student's family member(s).
Only hours actually working/serving may be counted.
Service hours can only count toward one area (i.e. serving at a church outreach event can be either community or church hours, but not both.)
